6:00 P.M.**

Present: Jerry Sauerwein, Anthony Macon, David Oestreich, Tommy Simpson, Matt Willman, Shannon McGuire

1. Walking Trail at Pool

Jerry informed the Committee that the District will be working with Greenville College's New Student Orientation. This is the second year working with this program. The project they will be working on will be a walking trail at William S. Wait Park. The cost for the material will be about \$5,000.

2. JCB Tractor

Jerry informed the Committee that the new tractor has been order and will be here in early September. The price paid was \$48,332. He explained that Mark Sievers was trying to increase the price by \$2,085 over the price he bid originally in 2009.

3. Flag Football and Soccer

Jerry informed the Committee that the deadlines for soccer and flag football registration have been extended.

4. Pool

Jerry informed the Committee that he will be consulting with Midwest Pool to perform a pressure test on the pool.
