**6:45 P.M.**

**Present: Dave Oestreich, Tommy Simpson, Mike Wilhite, Dennis Warren  
Jerry Sauerwein, Jeff Leidel.**

**1. Fall Soccer**

The Committee discussed options for next fall. The Board had discussed the topic during the regular Board Meeting.

**2. Youth Outdoor Days at Patriots Park**

The Committee discussed giving Pheasants Forever a special use permit to allow trap shooting during the Outdoor Day event. The Committee asked Jerry to ask the Districts insurance provider if they would have any restriction. The Committee concluded that if the insurance would not object to the activity and it could be set up safely they would approve the special use permit.

**3. 4<sup>th</sup> of July**

Jerry presented a spread sheet on the expenses versus income for the event.

**4. Vacancy on the Board**

The Committee discussed the vacancy on the Board.

**5. Jaycee Parking Lot**

Jerry informed the Committee that Tom Anderson felt that the ground was still not compacted enough to oil and chip the lot. The ground started to pump during the placement of the sub base on the lot. Jerry informed the Committee that he had contacted the City's Code Enforcer on the matter.

**6. Maintenance Staff**

Jerry presented a draft job description for the Maintenance Supervisor position for the Committee to review.

**7. Pool**

Jerry informed the Committee that he had toured two pool facilities to get ideas for the District. He was also looking at options for a master plan for the pool.

**8. Dirt Ramps**

Jerry informed the Committee that the dirt piles at William S. Wait Park were being moved to Laura Mollet Park. The dirt is to be shaped into ramps for the bikes.

**9. Jaycee Park**

Jerry informed the Committee that he was exploring options to provide shade to the front of the Jaycee Building. It was discussed that with the concession end of the building facing west, the service counter was getting extremely hot.

**Adjourned 7:30**
