Citizen Input: Gary Trudell noted concerns across the county regarding real estate assessments and expressed concerns about taxes levied by local taxing districts as well. In light of this, Mr. Trudell was interested in discussing the Park District's upcoming Tax Levy. Because of the nature of Mr. Trudell's comments, Director Sauerwein suggested that discussion of the 2011 Tax Levy (payable in 2012) be discussed at this time rather than at the time allotted for new business on the agenda. Discussion of the Levy ensued.
