1. Bond County Historical Society

The Society took the Committee for a tour of the Museum. John Goldsmith addressed the Committee on plans for the Museum. The Committee discussed a request from the Society for additional funding for repairs to the Museum. The Committee also discussed the request from John Goldsmith to provide funding to the Demoulin Museum.

2. Concrete Work for Skate Park

The Committee discussed additional concrete work for the skate park. Jerry commented that he had not received a paper quote from Tony Rench.

3. Jaycee Park Building

The Committee discussed the Jaycee Park building. Jerry was asked to have the shed/bathroom/concession building designed at a bare minimum. Jerry was also asked to get with the Lions and Optimist clubs that use the concession stand to see if they would be interested in assisting with the cost on the concession part of the building.

4. Security Cameras

The Committee received copies of the informal bid that went out per the Board's instructions.

5. Levy

The Committee discussed a draft copy of the new levy. Jerry stated that the levy would need to be passed at the December meeting.

6. Ordinances

The Committee discussed reviewing the Districts operational ordinances.
